Re: Docket No. 99-00257

Dear David:

At the Tennessee Regulatory Authority Agenda Conference held on June 22, 1999, in Docket No. 99-00257, MCI WorldCom's tariff to reduce toll rates was approved as filed. At that time, MCI WorldCom was ordered by the TRA to provide supporting calculations by July 1, 1999 demonstrating that it had complied with Rule 1220-4-2-.55 by making the appropriate rate reductions to the DDD service rate categories.

MCI WorldCom is in the process of making these calculations, however, because certain of the people required to make these calculations have been out of the office since that Agenda Conference, these calculations are not yet complete. MCI WorldCom anticipates the calculations will be completed by next week and will be filed as instructed by the TRA at that time.

Thank you for your cooperation.

Sincerely,

BOULT, CUMMINGS, CONNERS & BERRY, PLC
